*Abstract of Assessment
and
Summary of Taxes*

1967

This Abstract of Assessment has been prepared in order to show the various classifications of taxable property, and their respective valuations.

The total valuation of all property, as determined by the county assessor, is certified to the state and county and approved by the State Tax Commission.

Valuation of the various school districts and of towns and incorporated districts are certified to their respective boards.

Levies are filed by the several tax levying bodies according to revenue required for the proper performance of their various functions.

After the levies are certified to the Assessor, it is then his duty to extend the tax on all property assessed.
